

IMPORTANT! FCC REGULATIONS FOR YOUR BELL SYSTEM TELEPHONE EQUIPMENT

Dear Customer,
New Federal Communications Commission (FCC) Rules require that you be notified of the following:

This telephone equipment is registered with the FCC in accordance with Part 68 of its rules.

- Connection of this equipment to the nationwide telecommunications network must be through a standard network interface jack provided by the Telephone Company.

- If you experience trouble with this equipment, Telephone Company Repair Service should be notified immediately.
- If it is found that the equipment is causing difficulties to the telecommunications network, the FCC rules require that it be unplugged from the network interface jack until it can be repaired or replaced.
- Repairs to this equipment will be done only by the Telephone Company.
